

# The time to smile

**TIME DENTAL** is the new practice opening in Farnham on 20th April. Building work on the grade II listed building is now complete. Dr Taher Rashid BDS created Time Dental in order to provide affordable high-quality dentistry in a stress-free environment. He has extensive experience in general dentistry and a keen interest in cosmetic dentistry and facial rejuvenation.

"A visit to the dentist can be quite nerve-racking for some people. At Time Dental we understand this which is why we provide DVD or CD entertainment along with relaxation techniques to help you." Says Dr Rashid.
